## OUR EXPERIENCE ... IN A DOWNLOAD

Our BIM Kits provide you with a complete set of template resources to prepare and deliver information in a structured and methodical way. Simply download the kit and use the templates provided as the starting point for your documents.

Both our kits come with the following helpful resources:

### BIM DOCUMENTATION

Ready-to-use templates covering the areas to be considered when working with ISO 19650 and the other UK BIM Framework standards.

### UTILITIES

A full site license of our invaluable app to create almost any type of file named to comply with the UK National Annex of ISO 19650-2.

### RESOURCES

Revit settings, guides and shared parameter files optimised for UK standards. Simply copy these into your projects or deploy them across the whole company.

### GUIDES

Written to be as clear and concise as possible, our guides will help you understand technical aspects of Information Management, and how to implement the resources provided.

### FREE CONSULTING!

Yes, with each BIM Kit comes an option for a FREE half-day with one of our expert consultants to lead you through the process of customising this amazing value kit of parts for your own needs.
