PRINT DRAWINGS, CONVERT TO OTHER FORMATS AND ZIP YOUR ISSUE ALL AT ONCE

DOWNLOAD EVOLVE-LITE FROM [HTTPS://EVOLVE-CONSULTANCY.COM/RESOURCES/](https://evolve-consultancy.com/resources/) TODAY!

Print, convert and zip single drawings, multiple files, or even complete projects in one easy step.

PRINT

- Includes free PDFCreator so additional costly print drivers are not required.
- Add all sheets, a complete folder or a selection easily.

CONVERT

- Uses your software's internal conversion settings.
- Allows DGN and DWG conversion (software and version-dependent)

ZIP

- Fully integrated with all popular ZIP software and Windows native compressed folders.

Evolve's IssueTool takes the stress out of issuing files: you choose the formats, the parameters that make up the name, the location of your record copies and let IssueTool do the rest.

EASY TO CONFIGURE

Installs in seconds. Use simple variables in AutoCAD / MicroStation to define default output locations.

Automatically increases sequential numbering to allow multiple issues on one date.

FLEXIBLE LICENSING

Available as stand-alone, site-wide or corporate versions.

No additional licensing management software needed.

NO ANNUAL SUBSCRIPTION FEES

Pay only for upgrades when you need them.
