## BIM WORKSHOP

THE BEST STARTING POINT FOR YOUR BIM JOURNEY

Evolve will help you make sense of your information, how local and international standards affect your deliverables, and how to take advantage of these industry advances.

More than simply learning BIM tools such as Autodesk Revit or Bentley OpenBuildings Designer, Evolve can help you understand what BIM means, which route to take, and how to implement and manage BIM long term.

- ✓ THIS IS NOT A NORMAL TRAINING COURSE
- ✓ DISCUSSIONS AND HANDS-ON EXERCISES
- ✓ REVIEW OF PROCESSES AND PROCEDURES, STANDARDS AND PROTOCOLS
- ✓ PREPARE AN ACTION PLAN TAILORED TO YOUR SPECIFIC COMPANY NEEDS

*“Evolve’s service was very comprehensive. Their report highlighted specific areas of concern which has helped us form a clear action plan for the future.”*

Chris Poulton, Associate  
Wilkinson Eyre Architects

CALL 020 7549 3614 TODAY

*“Evolve guided us through every aspect of BIM and enabled us to define our adoption strategy in line with UK requirements.”*

Natasha Manzaroli, Director  
John McAslan + Partners
